

Refreshments

There is a refreshment break at each meeting, usually between the business meeting and the Guest speaker. Members sign up and volunteer to bring treats for the coffee break on a calendar. Provision of coffee and tea is being provided by a variety of sources at this time. we are trying to determine a process to provide the refreshments that is workable. A reminder to members who volunteer to bring baking is provided a few days before the meeting. Volunteers are always welcomed to make light work for all.
