

**P.G.C.
GARDEN TOUR
Saturday, July 10, 2021
1:00 to 4:00 pm**

1. The garden of DANA WAITE,
1653 Dean Park Road (off East Saanich Road)
Dana is gradually converting her large lawn to a garden which meets her needs for her "5 P's": Perfume, Pickable, Productive, Pretty, and Peaceful. Dana has lots of ideas about how to get more from her garden, and even has a Little Library near the raspberries out front, for the enjoyment of passersby. (See if you can find her secret herb garden.)

2. The garden of LEE PEARS,
9227 East Saanich Road
Lee is an enthusiastic Master Gardener who generously shares ideas, garden tips, and plant cuttings with her many visitors. A plant collector for many years, Lee describes her large garden as a "nook and cranny garden", with plants tucked in wherever she finds space.

3. The garden of DIANE CROSS,
9600 Third Street (at the corner of Third St. and Ocean Ave., Sidney)
Diane's garden is small in size and huge in creativity. This Tapestry Weaver's garden delights with rooms filled with beautiful colour and texture.

4. The garden of BERNICE BETTS,
11653 Jupata Way (Lands End to Seabreeze to Jupata Way)
Bernice gardens on a water-front half acre containing both woodland and drought tolerant plants near the water. Enjoy the beautiful view and immerse yourself in nature. A plant sale table will be on site.

Members may visit the gardens in any order. Bathroom facilities will not be available. Please respect the owners' property and kindly keep to the grass and pathways.

ENJOY YOUR AFTERNOON!
