

Peninsula Garden Club Speaker Presentations 2024

Monday, February 12th, 2024 – Barrie Agar – Growing Fruit Trees and 5 Types of Berries in Small Yards and Containers

On Monday, February 12th our speaker, Barrie Agar, will talk about fruit trees and five types of berries that can be grown in containers and small yards/spaces. Barrie recently retired from her position as head gardener at Royal Roads University that she held for nearly twenty years. She is the president of the Cowichan Valley Rhododendron Society and head of the BC Fruit Testers Association. Please join us for this informative presentation

Monday, March 11th, 2024 – Bruce Carter – Lighting Techniques and Products to Highlight Your Garden

On March 11, Bruce Carter from Wes-Tech Irrigation Systems will speak to us about lighting techniques and products to help us highlight our gardens. Last year Bruce gave us an excellent presentation on garden irrigation, and we are very pleased to welcome him back.

Monday, April 8th, 2024 – Michael Rogers – Glorious Grasses

Join Mike to learn about the transformation of his front yard now filled with tough, drought-resistant, deer proof and stunningly beautiful ornamental grasses. He will share many new varieties and cultivars of true grasses and some sedges, tips on planting, upkeep, propagation and an abridged list of mistakes (hopefully) not to be repeated.
