

Parlour Show Report for February 2025

It was surprising to see so many entries for this time of year. Six members brought in eighteen entries. It was an un-judged show. The People's Choice awarded first to Sylvia Alderson for her leek, second to Bonita Elliott for her Amaryllis, and third to Sylvia Alderson for her hellebore. Congratulations ladies! Next month will be a judged show. Please check the schedule and try to bring in at least one entry.
